

Catering Menu.

Please find our full catering choices in this menu. We use local suppliers to provide the best quality food. From grab bags to hot buffets, we can cater for a range of events and budgets.

Allergies and Food intolerances: Please make a member of Reach Events team aware of any needs. Our suppliers and caterers work hard to prevent cross-contamination, but they handle numerous ingredients and allergens. It is not possible for us to guarantee that our products will be 100% allergen or contamination free. Reach Events will not assume any liability for adverse reactions to food consumed or items one may come in contact with while eating our products.
